

Stainless Steel Degreasing Spray

Introduction

This cleaning and degreasing spray is suitable for all metals, glass, ceramics and some plastics.

Features

- ◆ **500 ml Spray Can**
- ◆ Suitable for all metals
- ◆ Also suitable for glass, ceramics and some plastics
- ◆ Evaporates quickly
- ◆ Leaves no residue (thus preferable to using thinners which do leave residual layer)
- ◆ Even gummy lubricants are removed

Uses

- ◆ Cleaning and degreasing before priming and painting
- ◆ Before the use of other surface treatment products, where a greasy substrate would impair the effect – For example before using adhesives
- ◆ Cleaning of machined parts

Manufacturer

Manufactured by Weicon and supplied to Aalco by Crosinox.

Please refer to manufacturer's datasheet for health & safety guidance.

This information is based on our present knowledge and is given in good faith. However, no liability will be accepted by the Company in respect of any action taken by any third party in reliance thereon

As the products detailed may be used for a wide variety of purposes and as the Company has no control over their use; the Company specifically excludes all conditions or warranties expressed or implied by statute or otherwise as to dimensions, properties and/or fitness for any particular purpose. Any advice given by the Company to any third party is given for that party's assistance only and without liability on the part of the Company.

Any contract between the Company and a customer will be subject to the Company's Conditions of Sale. The extent of the Company's liabilities to any customer is clearly set out in those Conditions; a copy of which is available on request.
