

Stainless Steel Protection/Care Spray

Introduction

The Stainless Steel Care Spray is formulated to serve as an antistatic cleaning and protecting agent. It is suitable for all stainless steel surfaces whether mat or glossy and can be used for both indoor or outdoor applications.

Features

- ◆ **400 ml Spray Can**
- ◆ Antistatic
- ◆ Cleans and protects
- ◆ Removes and prevents finger-marks
- ◆ Removes grease films (e.g. in the kitchen for cooker hoods and appliances)
- ◆ Does not leave stripe marks
- ◆ Leaves a long-lasting water-repellent protective film that also prevents adhesion of dust and dirt
- ◆ For indoor and outdoor applications
- ◆ Can be used on all stainless steel surface finishes – mat, polished, glossy

Manufacturer

Manufactured by Weicon and supplied to Aalco by Crosinox.

Please refer to manufacturer's datasheet for health & safety guidance.

This information is based on our present knowledge and is given in good faith. However, no liability will be accepted by the Company in respect of any action taken by any third party in reliance thereon

As the products detailed may be used for a wide variety of purposes and as the Company has no control over their use; the Company specifically excludes all conditions or warranties expressed or implied by statute or otherwise as to dimensions, properties and/or fitness for any particular purpose. Any advice given by the Company to any third party is given for that party's assistance only and without liability on the part of the Company.

Any contract between the Company and a customer will be subject to the Company's Conditions of Sale. The extent of the Company's liabilities to any customer is clearly set out in those Conditions; a copy of which is available on request.
