Technical drawing of a 90-degree elbow joint. The drawing shows the profile of the elbow with dimensions A, B, C, and T. Dimension A is the horizontal distance from the center of the elbow to the center of the horizontal pipe. Dimension B is the vertical distance from the center of the elbow to the center of the vertical pipe. Dimension C is the horizontal distance from the center of the elbow to the center of the vertical pipe. Dimension T is the thickness of the pipe wall. The drawing includes a cross-section of the elbow and a cross-section of the horizontal pipe.
